05.04.07

Foreman Charters is excited to announce that the company has again joined the Sioux Falls Storm and the Sioux Empire Junior Chamber to sponsor a Punt, Pass, and Kick competition on May 12 at the Sioux Falls Arena!

This competition, designed for youth ages 8-15, allows kids to compete in three different events against others in their age group. Age divisions include 8-9, 10-11, 12-13, and 14-15. Boys and girls will also be separated in the events. This competition is free of charge to all participants.

Participants should show up at 12:30 PM to register and the festivities will begin at 12:45 PM. The top scorer in each division will advance to the sectional competition.

Prior to the competition, the Storm will be hosting the Storm Trooper Junior Football Camp. Registration for the camp is \$20 and is accepted at the Storm offices at 1910 S. Minnesota Avenue in Sioux Falls. Participation in the football camp *is not* required for participation in the competition!

During the competition, Foreman Charters will be giving away 10 sets of 2 preseason tickets to the Friday, August 10, 2007 preseason game between the Minnesota Vikings and the St. Louis Rams. It has not yet been determined how tickets will be given away.
